## WORK EXPERIENCE

### Ideahub IT Solutions Provider Inc.

June. 2023 – August 2023

*Frontend Developer Internship*

*Davao City*

- Created a dynamic One Pager Website using HTML, CSS, JavaScript, and PHP to provide concise and impactful information.
- Designed and developed responsive email templates using the MJML framework, ensuring compatibility across various email platforms like web and Outlook.
- Contributed significantly to a complex business web system, actively involved in debugging, feature addition, documentation, and maintenance to enhance functionality.
- Contributed to custom WordPress application development by leveraging available extensions and themes to enhance webpage functionality and user experience.

### Department of Social Welfare and Development

Sept. 2023 – Dec 2023

*Full Stack Developer*

*Davao City*

- Led programming tasks and supervised a team focused on the development of a Visualization System.
- Employed VueJS for the front-end and leveraged Laravel for robust back-end functionality, integrating APIs using AxiosJS.
- Implemented ChartJS for comprehensive data visualization and utilized MySQL for effective database management.
- Managed the project's GitHub repository, ensuring version control and facilitating collaborative efforts.
- Oversaw Git operations, including reviewing team members' pull requests and resolving conflicts during branch merges.

---

## EDUCATION

### University of Southeastern Philippines

August 2020 - Present

*Bachelor of Science in Information Technology Major in Information Security*

*Davao City*

- Maintained a consistent Dean's List performance from the first year through the third year of college.
- Engaged in the Huawei ICT Competition, showcasing skills and theoretical knowledge in networking field.
- Actively participated in the Zuitt Web Development Workshop, expanding knowledge and practical skills in web development.
- Served as the Technical Head Director in the University Esport Organization, contributing leadership and technical expertise.
